Spelling/Phonics- List 2 has a CVC pattern that makes short e, o, or u vowel sound. Keep practicing at home for a few minutes a night. The test will be on Friday.

Reading- We will continue to read stories together and discuss the character's traits. We are reading many stories together and charting the character traits and discussing how they are the same or different. I am hoping to begin reading groups later in the week.

Writing- This week we will finish writing about our goals for second grade. The next few lessons will be making sure we are using capital letters and punctuation correctly. During Grammar we are using complete sentences and learning about statements and questions.

Math- We are using the make a ten strategy when adding 2 and 3 addends. Our problem solving strategy is making a math sentence to show our work with 1 or 2 steps.

Social Studies- We will name and identify the location of our seven continents.
