We fly through the air like we know that we should,  
To bring you presents and make Santa look good!  
We want you to know that we just don't get it!  
We do all the work while Santa gets the credit! II: Without us Santa's nothing! :||

There's Dasher and Dancer and Prancer and Vixen,  
Comet and Cupid and Donner and Blitzen.  
We even have a stand - by who everyone knows.

**My name is Rudolph, with the bright red nose!** II: Without us Santa's nothing! :||

## **"Up on the housetop, the reindeer pause."**

Do you know what it's like pullin' the Claus?  
Ev 'ry year he gets bigger and bigger!  
You really would think he might watch his figure! Santa  
thought about a snowmobile, he even tried a bike.

A train or a plane he thought he might like  
But he'll stick with us 'til his dying day,  
Cause he knows we're the ones who can pull his sleigh! II: Without us Santa's nothing! :||

Now don't get us wrong: he's a really nice guy  
And we all do enjoy flying through the sky.  
It's just that we want the attention we deserve  
And ignoring us really takes a lot of nerve.  
So this Christmas Eve when you close your eyes tight,  
Please remember that we've been flying all night.

Slippin' and slidin' on every rooftop  
Killin' ourselves makin' Santa look hot! II: Without us Santa's nothing! :||

With us, (shhhh) He's somethin'!
